Phil Richardson, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.SEPTEMBER 2021 is a non-fiction book that identifies specific divine patterns and events as it relates to the fulfillment of Bible prophecy with regard to the Jewish Fall Feast Days of Yom Teruah (Trumpets), Yom Kippur (Atonement) and Tabernacles (Sukkot) that take place in the Jewish lunar month of Tishri (September/October). The subtitle, The Signs and Appointed Feasts of Messiah from September 2015 to September 2021, identify the Fall Feasts of 2015 as being the beginning of a six year countdown of intensifying Panic and Crisis for the Jewish People, Jerusalem and for the Nations of the World that will only intensify in the remaining years ahead. This book, written from a Hebrew Roots Christian perspective, clearly goes against the conventional wisdom and wide path of the typical Christian eschatological world view concerning the End Times and of the events as described primarily in the Book of Revelation and the Book of Daniel concerning the return of the Messiah back to this earth as a Conquering King. With regard to this book, discover the intimate connection of the Shmitah cycles to the Jubilees and their connection to the 7,000 year plan of the Creator along with their remarkable connection to the Fall Feast Days of 2015. In addition, the author reveals the final jubilee connection of Jerusalem s re-unification day (June 7th, 1967) and a certain Covenant that was made by President Obama on Yom Teruah 2014 that began the final Shmitah countdown. Finally, discover THE RICHARDSON THEORY as it pertains to the future return of the Messiah back to Jerusalem and the connection to the Fall Feasts of SEPTEMBER 2021.
