Rarebooksclub.com, United States, 2013. Paperback. Book Condition: New. 246 x 189 mm. Language: English . Brand New Book ***** Print on Demand *****.This historic book may have numerous typos and missing text. Purchasers can usually download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1916 edition. Excerpt: .more easily and thorough by mixing in a pail having a capacity about three times the amount of the scraps mixed at one time. If the mash with scraps makes more than one meal for the flock, the pail should be kept covered until the next feeding. As a rule it is not advisable to feed such a mash oftener than twice a day, but if mixed quite dry it may be The occasion for this will exist only where scraps are so abundant that when thickened with meal they may be made the exclusive diet. This is not as good a ration as one containing more hard grain, -but it may be used a long time without any bad results. 219 N. Jefferson Street Chicago For Plumbing and General Supplies see page: 10 and 11. Evolution in Business Law is the rule...
