The Woollen Industry

By Chris Aspin

Shire Publications Ltd. Paperback. Book Condition: new. BRAND NEW, The Woollen Industry, Chris Aspin, Most places in Britain have had some connection with the woollen industry. For several hundred years, it was Britain's principal source of wealth and provided more jobs than all the other industries put together. The country's fortunes were largely dependent on the wool trade. The English language has been enriched by many phrases derived from the trade - 'dyed in the wool', 'spinning a yarn', 'on tenterhooks' - and many thousands of people owe their surnames to ancestors who were websters, weavers, fullers, tuckers, walkers, listers and so on. This book traces the history of wool in Britain from Prehistoric times to the present day and uses many previously unpublished illustrations to illuminate its story.
