Longstreet Press. Hardcover. Book Condition: New. Hardcover. 258 pages. Dimensions: 9.0in. x 6.3in. x 0.9in. CAN YOU SPOT THE MILLIONAIRE NEXT DOOR Who are the rich in this country What do they do Where do they shop, and what do they drive How do they invest Where did their ancestors come from How did they get rich Can I ever become one of them GET THE ANSWERS in The Millionaire Next Door, the never-before-told story about wealth in America. You'll be surprised at what you learn. . . According to authors Thomas J. Stanley and William D. Danko, most people have it all wrong about how you become wealthy in America. It is seldom inheritance or advanced degrees or even intelligence that builds fortunes in this country. Wealth in America is more often the result of hard work, diligent savings, and living below your means. The Millionaire Next Door will tell you the seven common denominators that show up again and again among those who have accumulated wealth. You will learn, for instance, that many millionaires bargain shop for used cars, pay a tiny fraction of their wealth in income tax, raise children who are often unaware of their family's wealth until they are adults, and, above all, reject the big-spending lifestyles most of us associate with rich people. In fact, you will learn that the flash millionaires glamorized by the media actually represent only a tiny minority of Americans rich. Most of the truly wealthy in this country don't live in Beverly Hills or on Park Avenue—they live next door. Stanley and Danko have been studying the wealthy in this country for 20 years. Using their two decades worth of surveys, interviews, and data available nowhere else, they have compiled a detailed picture of who the rich are and how they...
