In his assessment of the uncanny and frequently eerie world of UFO-logy, Gregory L Reece travels deep into a mindset which believes that the gods of mythology were really visitors from the stars. Venturing into the Mojave Desert to watch the night skies for flying saucers; exploring Nevada's top-secret installation 'Area 51'; and visiting Roswell, famous site of a supposed saucer crash in 1947, the author's quest for the truth brings him more than he bargained for. He has his atomic structure recharged in a machine supposedly designed by extraterrestrial technology, encounters a whole galaxy of alien life-forms, and meets those who claim themselves to have been abducted by UFOs. Along the way, he tries to make sense both of the sinister 'Men in Black' and of lethal 'Tall Whites', deadly aliens who liquidate human beings without mercy....
