An Analytical Arithmetic (Classic Reprint) (Paperback)

By J M Bandy

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from An Analytical Arithmetic By most authors Arithmetic has not been so represented as to secure logical habits of mind, the power of independent thought, and that quickness of apprehension which is so sure to follow a course of Analytical Arithmetic. From this it is to be inferred that Rules and Mechanical devices by which the above-mentioned good effects are not obtained will be ignored. One new feature of this book, therefore, will be that after donning the Analytical dress, a Rule shall not appear on every page. To give the student the mastery over business problems of life; and, at the same time, should it be desired, to enable him to successfully study the higher mathematics, are the objects of this book. It is to be placed in the hands of those who can add, subtract, multiply, and divide. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
