THE MASTER EMPATH: TURNING ON YOUR EMPATH GIFTS AT WILL -- IN LOVE, BUSINESS AND FRIENDSHIP (INCLUDES TRAINING IN SKILLED EMPATH MERGE) (PAPERBACK)

Women s Intuition Worldwide., United States, 2015. Paperback. Book Condition: New. 216 x 143 mm. Language: English . Brand New Book ***** Print on Demand *****.Visionary empath Rose Rosetree has helped you own, embrace, and manage your empath gifts. Wait ll you see what comes next. In her ground-breaking book, The Empowered Empath, world-renowned author Rose Rosetree shared a proven program to help unskilled empaths avoid the unintended, unconscious, unwelcome and lightning-fast merging with another s energy and emotions. And along the way, reclaim both peace of mind and sense of self. In this leading-edge follow-up, Rosetree offers now-skilled empaths an ingenious array of techniques for The Skilled Empath Merge: safely, deeply and powerfully experiencing what it s like to be another person. Among practicing empath coaches today, only Rosetree can authoritatively answer this question: How can I safely turn on my empath gifts whenever I choose? Science fiction? Nope. In fact, these skills-totally different from hunches or even clairvoyance-are real, easy to learn, keep you energetically protected (no more emotional overwhelm) and can help you experience life more deeply. And, says Rosetree, using these skills are the most fun you ll ever have with your clothes on. The practical applications are endless. Whether through a photograph, a video or in person, your new skills can help you: Learn what makes another person tick-subconsciously and energetically Experience directly what makes others different from you Protect yourself in the arenas of love, family, and work Separate truth from hype (or outright lying) - especially when vetting doctors, energy healers or personal development experts The goal? Someone who s not just surviving but living life with greater power, effectiveness, and joy. In short-a master empath. Learning to turn your empath gifts off is a blessing, but being able to consciously turn...
