The dialogue which occupies the larger part of this volume, although generally known by the name of the rhetorician Gorgias, sometimes bears the sub-title of Rhetoric. This latter may seem a strange designation for a work the aim of which is nothing less than to discover wherein happiness, or, what to Plato is a synonymous term, The Good, consists. But, as his great master had brought down philosophy from the world of pure thought to the daily haunts of men, -- to the street, the market-place, the public Assembly; so Plato deemed no subject so trivial that its relation to The Good might not profitably be ascertained, none so remote that it might not form a connecting link between men's daily lives and the universal object which every soul pursues, and for the sake of which it does all that it...
