It must once more be remembered that: the remedy which has been successful in a case, may not mfallibly cure in all possible cases. Hence the necessity of indicating, not only one, but a series of medicines for each disease. III. It is always understood that to practise electro-homoeopathy it is necessary to become thoroughly versed in the receeding principles and rules; afterwards, the ca alogue may be consulted with advantage, and, in it, ever one can discern the treatment suitable to each in ividual case. IV. With the exception of particular cases, clearly defined, in which individua judgment 1na recommend some variations, the treatment shoul always be commenced with the first remedy indica ted in the catalogue. When experience which may last some minutes or days) has provedt at the first remedy is not suficient, recourse must be had to followmg1 ones. V....
