After these, the Greeks had most of their Learning from the Egyptians and Orientals; and what they borrowed from them, they improved and brought to a considerable Degree of Perfection. In their Country Orpheus, for that there was such a Man is undeniable; he, I say, enriched with their learned Treasures, taught the Immortality of the Soul, and the Happiness of good Men in a future State; and after him Thales did the fame. These great Geniuses carried their Views to an higher Pitch, than their Successors were able to maintain them at afterwards. The Reason of which perhaps might be their being aw d and discouraged by the blind Prejudices of the Vulgar. Though Anaxagoras, we must confess, was an Instance of the contrary. He even pushed some Notions further, and is express for a divine and intelligent Mind presiding over the Chaos, and governing all Nature. This is understood by the Doctrine of the Ionics, but it seems it was dangerous for those of superior Learning and Talents, to endeavour to convince Mankind by Reason and Force of Argument.
