

## The Merchant of Venice

By William Shakespeare, Fiona MacDonald, Penko Gelev

Salariya Book Company Ltd. Paperback. Book Condition: new. BRAND NEW, The Merchant of Venice, William Shakespeare, Fiona MacDonald, Penko Gelev, Although Shakespeare's "The Merchant of Venice" was written in around 1596, it tackles two of the most prominent themes of today: religion and money. An excellent introduction to the pitfalls of borrowing, this title takes a good look at the conventions of past societies, from the very top to the very bottom. Remember: 'All that glisters is not gold'. Ideal as visual introductions to classic texts, Graffex titles are fast-moving, cinematic retellings of well-known stories. Equally rewarding as comics, graphic novels or learning resources, the series uses specially commissioned full-colour artwork to retell some of the most incredible, influential and memorable tales in the canon of English literature. Speech bubbles feature direct quotes from the original text, running captions describe events in a clear manner and detailed footnotes translate challenging vocabulary and provide interesting background information. It's a wealth of key information that, critically, doesn't overwhelm or distract from the original story. Featuring photographs, paintings and maps, Graffex endmatters tell the story of each book in its wider geographical context. Text details the life of the author, the socio-political events...

### Reviews

*This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

*This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).*
