Extensive guideline! Its such a great go through. It is definitely basic but surprises in the 50 % of the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.

University of Illinois Press, 1999. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "Wagoner . . . is best known as an intelligent, adroit, remarkably consistent poet. This generous retrospective, drawing from some 45 years of published work, confirms his reputation. He writes poems about nature based on his hiking and camping in mountain wilderness, about urban angst and paranoia based on his everyday urban existence, about American Indian legends out of acquaintance with knowledgeable Indians, and about literature, love, and death out of personal experience. . . It is hard to think of another living U.S. poet more pleasurable to read - and reread." -Booklist"Magic. I felt I'd found magic the first time I read my first words by David Wagoner. And strangely enough, it was a novel that sent me scurrying toward his poetry. . . .Poetry that stops you in your tracks and makes you see as you've never seen before. . . If you don't know the poetry (or novels) of David Wagoner, let not another day or night fall before you do. He is our national Poet Laureate, whether he knows it or not, we do." - Ruthe Moose,The Pilot-Southern Pines, NC"Wagoner has a deceptive ease of manner in the presence of an amazing range of experiences. . . . It is cause for wonder and celebration that such a book is here among us. Mr. Wagoner has sometimes been a finalist for major awards; it is long past time that he got one." - Henry Taylor,Washington Times"When it comes to David Wagoner's poetry, all's been said before: the pragmatic clarity of his language, the dead-on ear for cadence, the authoritative and deeply empathetic nature of his stance. That we can still say these things is to the poet's..."
