Great Motivational Talks, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Metaphysical fiction at its finest in Dr.Robert J. Newton s newest release, Beyond the Mists of Time. Newton plants a big What if in the mind of readers who explore his philosophy/system of thought. James, the same character readers enjoyed in The Hidden Codes of God finds refreshing new aspects of the inner, supernatural, spiritual, archeological and transcendent aspects of the essence of a human experience. His ultimate goal as a writer is to bring attention towards self-actualisation as he brings them face to face with one s existence, the psyche, psychology, a spiritual journey and interesting relationships with Nature and its Creator. Beyond the Mists of Time transports the reader to a time virtually unknown by humanity and basically unacknowledged by mainstream archaeology. In fact, there were periods of history, unreported and little recorded that indicate humanity lived in a state of bliss and grace on Earth because these ancient civilizations were surrounded by a verdant landscape of trees and plants and the effect of this was a field of energy generated in Nature that kept humans and their civilizations in a state of balance, bliss, and an innate connection to our Creator/God. So James, who has been on a spiritual quest since the age of five, knows that there is more about humanity than has been related in most books so he decides to use his psychic abilities, developed over many years of meditation, to see what he can uncover about his intuitional hunches. By employing the psychic ability known as remote viewing, James is transported back in time on journey to ancient India, Lemuria (Mu), Atlantis, Egypt, Sumeria (Iran/Iraq), Egypt, Greece, Rome, Palestine,...
