*The book is fantastic and great. It is definitely basic but shocks in the 50 percent in the pdf. Its been printed in an remarkably basic way and it is just soon after i finished reading this publication in which really changed me, change the way i believe.*

The swallow is a fly-catcher; and the number he catches in a day would quite surprise you. Often have you seen him skimming along the surface of the brook and the pond. 15. Hen. Yes, that I have; and swallows are as busy as ants, I think. 16. Un. The beaver is a wood-cutter, a builder, and a mason; and he is a good workman at all these trades. He cuts down the small trees with his teeth; and, after he has built his house, he plasters it. 17. Hen. Well done, beaver! He seems to outdo all the rest. 18. Un. The wasp is a paper-maker; and he makes his paper out of materials that no other paper-maker would use. If you ever should look closely at a wasps nest, you will find it all made of paper. 19. Hen.
