## Course Catalog (Classic Reprint) (Paperback)

By Northeastern University

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Course Catalog About this Catalog We are pleased to provide you with this catalog containing complete, updated descriptions of all courses, workshops, and seminars currently offered by the State-of-the-Art Program. The catalog is intended to serve as your personal guide to the program for the forthcoming 1979-80 academic year. During the year, bulletins issued by the Program will list course scheduling and tuition information. New courses now being developed will also be introduced. About our Program The proliferation of new knowledge has made it increasingly difficult for professionals to keep pace with advances in today's fast-moving technology. The State-of-the-Art Program is designed to help practitioners stay abreast of the latest developments in their field by supplementing their on-the-job learning with more formalized course work. The courses present relevant information in a ready-to-use form. They are designed for adults and take into consideration the individual differences among participants. Class size is intentionally limited to allow for flexibility of presentation and ample discussion of course content. About your Participation We have observed that students enhance the...

### Reviews

*These kinds of publication is the greatest pdf available. Better then never, though i am quite late in start reading this one. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

-- Lorena Streich

*It becomes an awesome pdf that I have actually read through. It really is full of knowledge and wisdom You may like how the writer compose this book.*
