Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 102 pages. Dimensions: 9.0in. x 6.0in. x 0.2in. The only class I ever failed in college was Intro to Art Education. If you put this book down and stop reading right now I will totally understand. If you keep reading, you will learn that over the years, I've frequently clashed and often collided and have had plenty of failures in the world of art education. My college, The School of Visual Arts (SVA) is located on 23rd Street on the island of Manhattan. As the course title suggests, Intro to Art Education was designed to provide those considering a possible career as an art educator a look at the process. I can't truly remember why I enrolled in the class. I can only assume I had fond memories of being in my high school art class and saw this as an avenue back. I soon would learn there would be no nostalgia. I don't recall ever meeting in a classroom on SVA's facilities. I do remember meeting at a local elementary school. There, the course instructor taught a lesson to the elementary school children while her college students (including me) watched her teach. After the lesson, when the elementary students had left the room, we would discuss, evaluate, and critique the events of the day. Eventually, I believe the students would be preparing our own lessons and taking turns teaching the class. I use the word believe because I never found out. I stopped going to class. I stopped going because I didn't understand the edu-speak the teacher used. Words like curriculum and standards. I stopped going because none of this was creative or experimental or fun. I stopped going because I came to the realization...
