Multimoneystreams, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Business start-up advice on what not to do, so you ll know what to do I feel like I went into the most expensive business venture thus far without knowing all the rules to the game of business and I want to share a few of those basic rules. The object of the game of business is to Win, but sometimes we start playing before we ve read the instructions and understand all the rules. This short book contains the basic rules to the game of starting a small business and entrepreneurship. It encourages you to pursue your dreams of entrepreneurship, but also alert you to the dangers of not conducting the proper research. In this particular book, I call myself a subject matter expert on the topic of Mistakes NOT to Make when Starting a New Small Business Venture. You could also look at my story as a Case Study and a part of your research. This book is for the aspiring entrepreneur, who is new to starting a business, or someone who has a business idea they re looking to pursue. It s the type of book I wish that I had read in the early years. In sharing my top 10 Must Know entrepreneurial lessons learned, mistakes, the do s and don ts of business, I m hoping to save others valuable Time and Money, which are two key components of a successful business. You ll read real life stories of specific business decisions that led to failure and decisions that led to winning and success. You can t go back in time and have a do over, but you can use your knowledge, experience...
