Reviews

Extremely helpful to all type of individuals. It really is basic but excitement inside the 50 % of the pdf. Its been designed in an remarkably basic way and is particularly only right after i finished reading through this book in which basically transformed me, change the way i believe.

Written in a conversational style, the book covers essential topics such as banking, interest, insurance, taxes, depreciation, inventory, and financial statements. It carefully explains common business practices such as markup, markdown, and cash discounts--showing students how these tools work in small business or personal finance. Authors encourage self-starters from the beginning, with the review of basic math, annotated examples, stop and check exercises, skill builders and application exercises. This edition includes updated problem sets, new trends and laws, a revised financial statements chapter and the one-of-a-kind "MyMathLab" website. 0321924304 / 9780321924308 Business Math Plus MyMathLab -- Access...
