When I finally hit the unforgiving ground I had no power to move, get up, or call for help. I felt as dead as I could be while still alive. I just knew I had inhaled too much smoke. I may be unstoppable to humans but not to other forces . . . Having no strength to even turn my head I figured let them kill me, if they wanted. That's my punishment for saving lives today. The footsteps stopped; I could feel them staring at me. I wondered if they would end my life quickly or if they would let me die in misery. Would they slit my throat or stab me through the heart Now that Alys prisoner status is lifted, she is quickly being prepared to take over the flying army. Step by step, everything is falling into place, except for her heart.
