Copyright 1919, THE CORNELL CIVIL ENGINEER Vol.28.OCTOBER, 1919 No. 1 A SMALL SEWAGE DISPOSAL PLANT FOR A HIGH SCHOOL Gustave J. Requardt, 09 The text books and engineering magazines have had much to say on the subject of big sewage disposal plants. The young engineer called upon to design a small system will find but very little information on the subject, and must rely to a great extent upon his own judgment. The plant herewith described perhaps will be of interest on this account. In 1916 Norton Bird and Whitman were asked to design a layout to take care of the...
