THE AMERICAN REVOLUTION (HARDBACK)

Facts on File Inc, United States, 2001. Hardback. Book Condition: New. 290 x 222 mm. Language: English . Brand New Book. The American Revolution weaves a wealth of primary source material into a compelling narrative to provide a comprehensive overview of the revolutionary era. Coverage includes the period from the inception of the French and Indian War to Washington s farewell to Congress, with particular emphasis on the years of the war itself, from 1775 to 1781. Each chapter begins with an introductory essay summarizing important themes, followed by a chronology that offers an account of key events. Hundreds of excerpts from contemporary newspapers, diaries, letters, speeches, and memoirs, including entries from George Washington s personal journal, further illustrate events of the era and how they were perceived by those who lived through them. In addition to presenting an in-depth exploration of the American Revolution, its causes, and its conclusion, the volume also highlights developments in science, art, and literature to enhance readers overall understanding of the period.
