The Gift of Spiritual Wisdom (Maturing the Soul: One Woman's Journey of Authentic and Compassionate Love in Action) is the companion book to The Gift of a Rose (Healing the Soul: One Woman's Journey of Truth and Spirit). The spiritual transformation lessons described in The Gift of Spiritual Wisdom lead the reader to a deeper understanding through shared experiences of Truth based in reality. The story invites readers to follow along with the aspects of Qi-flows: The application of certain beneficial rearrangements of energy (essence, vitality, spirit), as cultivated through Inner Alchemy practice and structured to mirror the properties associated with the four cardinal directions and a center. The Immortal Bridge: The various directions (this roadmap) hold complex links to natural colors, seasons, body organs with associated qualities, shapes, cosmology, and flow changes of human perception included in many traditional indigenous beliefs. These five movements are also used as the foundation for the Wu Xing on which the immortal bridge forms by successfully merging health (physical-energy-spirit integration) with Tao (finding heaven within). The dynamic states of change are categorized according to the heavenly virtues of Faith, Hope, Compassion, Trust, and Where There is Light, and then associated with the central concept of Spiritual Wisdom. The chapters under each virtue are devoted to the exploration and expansion of specific Truth principles and practices, where it is necessary to gain mastery through generation, creation and overcoming of obstacles, in order to live a disciplined life by choice. When Form Reflects Eternity: There is a spiritual wisdom that comes with the gift of maturity and maturity grows only with sincere practice. This dynamic is best described in a teaching from an ancient sacred text:...
